Hi Catherine-

Sorry about the delay in scheduling this follow-up, but I see we are set for the 17th. We will work to get you materials later this week.

Feel free to give me a call before then if you would like to chat. I am out of the office on Friday, but otherwise generally available between now and then.

Hi all -

Our spring break schedules are not overlapping well. It looks like the morning of Monday, April 3 or Monday, April 17 would be the best days for us.

Catherine- Sorry I did not catch you today. I am out of the office tomorrow and next week. I was hoping to schedule a meeting for either Thursday April 6th or sometime the following week if possible to follow-up with the larger group of folks on our "to do" items. We hope to be able to send you the items we committed to by COB Wednesday April 5th.

If a meeting works for you, would you be able to coordinate schedules with Heather Quigley in our Branch (as both Krista and I are out of the office next week)? I was thinking it would be the same group of folks from our end (minus Chris Korleski) and we would talk about the scenarios and fact sheet items then.

Again, sorry we did not get to catch up this week. We look forward to talking again soon!
